Lecture Theatre Seating LT1

Denby Way, Hellaby Industrial Estate, Rotherham, S66 8HR
Reg. No. 1343514 Reg. Office: Slacks Farm, Bramley Rotherham, S66 1TZ

Lecture Theatre Seating

Our Lecture Seating

Whether your lecture theatres are large or small, fixed or flexible, we can tailor our seating to suit your needs. We have been able to install lecture theatre seating in a large number of educational facilities, including most UK universities.

However, we haven't just been limited to the UK, we have also manufactured lecture theatre seating for schools, colleges, and universities around the world, including the Netherlands, the UAE, and Australia. Thanks to our bespoke tiering you can be assured your audience has an accessible view no matter where they're sat.

As part of our lecture and conference hall seating range, we also offer retractable seating platforms for multi-use spaces, as well as interactive chairs, booth seating, and Harvard lecture theatre seating layouts to encourage collaborative learning.

'Our LT chair range has been independently tested to the relevant requirements of EN 12727-2016 Strength and Durability and meet Level 4'

LT 1 Specifications

Seat:

390mm front to back, 50mm thick 6lb recon foam base with 10mm CMHR foam topper, supported on a 12mm plywood base and covered in selected material.

Back:

250mm top to bottom, 30mm thick 4lb recon foam base with 10mm CMHR foam topper, supported on a 12mm plywood base and covered in selected material.

Stanchions:

The welded assembly is constructed from steel tubes, flat plates, and steel bars, with all parts precision laser cut for accuracy and quality. The seating consists of an automatic 'silent tip' seat pivot fully enclosed in a metal housing to prevent finger or clothing entrapment and operates through a counterweight tipping action with all rotating parts having hard-wearing nylon bushes for longevity and durability. The finish for all Steelwork is powder coated to RAL 7016 Anthracite Grey or RAL 9005 Black as standard.

Ledge:

290mm wide, manufactured from 18mm MDF board with plastic laminate and high pressure matching or contrasting edges. All exposed corners have a radius.

Modesty Panels:

290mm high, manufactured from 18mm MDF board with plastic laminate and high-pressure matching or contrasting edges.

Material / Options:

Covering material to be selected from standard range. For options refer to options brochure.

LT 1 Chairs

Our T1 's are installed as a fully upholstered lecture theatre seating option and are supported by square-cut foam making them a perfect entry level lecture theatre choice. Writing ledges are provided with these chairs along with modesty panels on the front row.
